

MONSTER HANDS

SUPPLIES NEEDED:

- Colored paper
- Googly eyes - lots of sizes
- Pom-poms
- Black marker
- Scissors & glue

Instructions -

- 1 - Trace your hand onto the colored paper with your wrist being on an edge.
- 2 - Cut out your handprint.
- 3 - Once cut out, decide if you want your monster to be with your fingers pointing up or down (either way makes a FUN monster) and then add different sizes of googly eyes.
- 4 - Draw a mouth and add some extra monster decorations using pom-poms and maybe more googly eyes.
- 5 - Add teeth if you like by cutting out little white triangles and gluing them on the mouth line.
- 6 - And your monster hand is complete!
