

# FCB Text Message Banking & Text Alerts

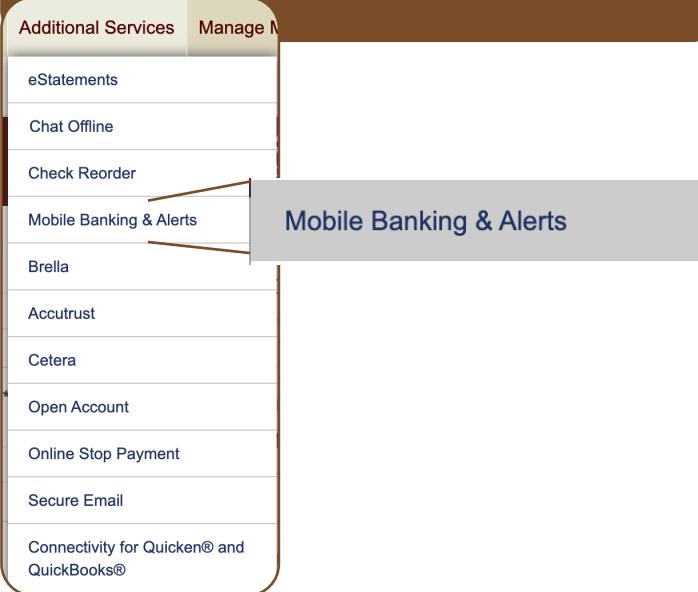

1

**Log into your First Citizens Online Banking account** via internet on any device. Text message/SMS banking can only be initiated from the website, NOT via the app.

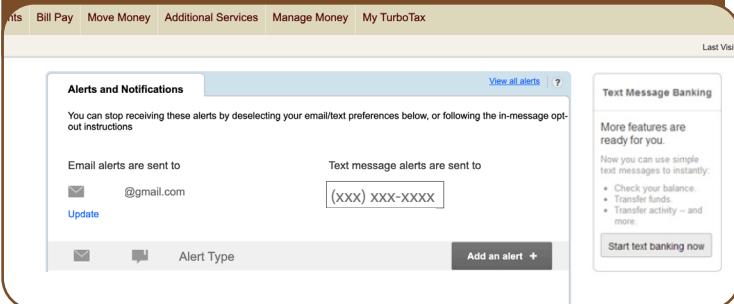

2

Under the **Additional Services** menu choose **Mobile Banking & Alerts**.

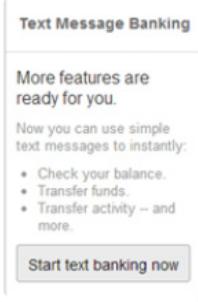

3

You'll see the **Alerts and Notifications** page. Here you can confirm your email address and add your cell phone for text alerts.

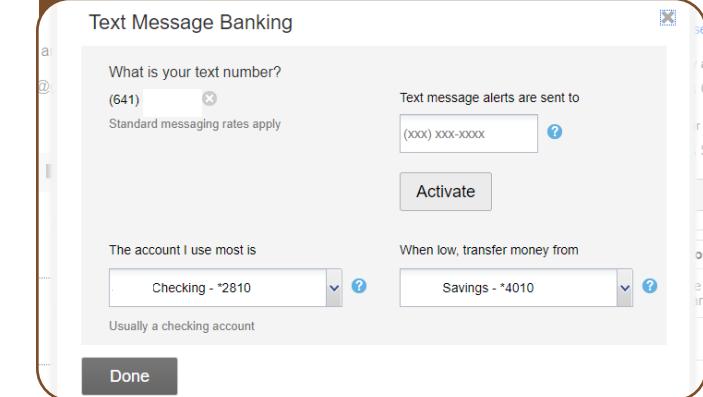

4

On the right side of this screen you'll see a box that says **Text Message Banking**. Click the **Start text banking now** button.

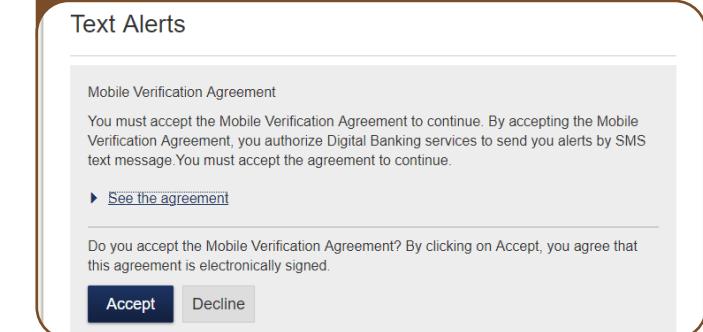

5

To enable **Text Message Banking** verify the cell phone number. You can enable **text message alerts** from this screen by adding the same number or a different one.

6

If you choose to add Text Message Alerts, you'll need to view and accept the **Mobile Verification Agreement**.

7

Once you've enabled **Text Message Banking** this menu will appear on the right side of the **Mobile Banking & Alerts** page.
